

## SCIP Declaration of Compliance

In accordance with the EU Waste Framework Directive (2008/98/EC)

Company:  
Vexve Denmark | Frese A/S  
Sorøvej 8  
DK-4200 Slagelse  
CVR No.: 12375344  
[www.frese.eu](http://www.frese.eu)

Declaration Date: 8. August 2025

### Background

In accordance with Article 9(1)(i) of the EU Waste Framework Directive (2008/98/EC), manufactures, importers and suppliers of articles are obligated to submit data to the SCIP database (Substances of Concern In Articles), as such ore in complex objects – products) if their products contrain substances of very high concern (SCHCs) from the ECHA Candidate List on concentrations above 0.1% w/w.

### Compliance

Vexve Denmark | Frese A/S hereby confirms compliance with the SCIP notification obligations. For all relevant articles placed on the EU market that contain Candidate List Substances above the threshold concentration, essentially Frese brass products containing more than 0.1 % w/w lead, the required information has been submitted to the SCIP database via the ECHA portal.

Below you will find the SCIP reference number of those of out products which contain more than 0,1% w/w lead.

### Overview of Products and Related SCIP Numbers

| Product Name                            | Identifier Type | Identifiers | SCIP Reference Number                |
